

INTERNAL REGULATIONS FOR CAMPING VERNEDA

REFRIGERATORS

In order to guarantee an orderly, hygienic and equitable service for all our customers, the campsite has established the following rules for the use of the refrigerators available on the premises.

1. Types of refrigerators available

a) Locker-style refrigerator (approx. 30L)

- Located in common areas.
- Cannot be moved to the plot.
- An individual key is provided.
- Deposit: **€10**, which will be refunded in full upon return of the key and verification that the compartment is in good condition and clean.

b) Combi fridge (portable for pitch)

- Campsite staff will bring it to your pitch during your stay.
- Requires **electricity connection on the pitch**.
- Deposit: **€50**, returned after checking the condition, cleanliness and functioning of the appliance at the end of your stay.

2. Reservations

- **Lockers: must be reserved in advance** via the campsite's **official website or by contacting reception**.
- **Combi fridges: can be reserved directly by contacting the campsite reception**.

The number of units available is **limited**.

Requests made either via the website or directly with the campsite do **not imply confirmation** of the reservation until the customer **receives a confirmation email**.

3. Delivery and return times

- **Delivery:** from the time of arrival (1:00 pm).
- **Return:** before departure time (12:00 noon).

If the cooler is not returned within the established time, **the campsite reserves the right to empty its contents**, store it temporarily and **remove the cooler**, without the right to claim or partial refund of the deposit.

4. Deposit and return conditions

- The **deposit** will be returned once it has been verified that:
 - o The refrigerator is **returned clean, empty and undamaged**.
 - o In the case of locker-type refrigerators, the **key is returned**.
- **Damage, loss, loss of the key or excessive dirt** may result in the partial or total retention of the deposit.

5. Condition and maintenance

The customer is responsible for the correct use and maintenance of the refrigerator during the rental period.

The following is strictly prohibited:

- Tampering with the wiring or electrical connections.
- Placing unpackaged products, uncovered liquids or flammable materials inside.
- Using the refrigerator for purposes other than storing food and beverages.

6. External causes and exemptions

The **campsite is not responsible** for the loss or deterioration of food or beverages due to causes beyond its control, such as:

- Power cuts or surges.
- External electrical faults.
- Misuse by the customer.

7. Cancellation of service

The campsite management **reserves the right to cancel the fridge service** due to external, technical or force majeure reasons (breakdowns, maintenance, electrical incidents, etc.), undertaking to inform the customer as soon as possible and refund any amounts paid for rental and/or deposit.

8. Acceptance of the regulations

Use of the refrigerators implies full **acceptance of these regulations**.

The campsite reserves the right to modify them at any time to adapt them to service improvements or new internal provisions.
